

ELECTRIC & ACOUSTIC VIOLINIST

PASHA CAZAN

Twenty years on the Gulf's biggest stages. Now performing across Europe.

ELECTRONIC PRESS KIT · 2026

01 · THE ARTIST

I've played the world's biggest stages. Now I'm playing Europe's.

I'm Pasha Cazan, an electric and acoustic violinist, now living between Europe and Dubai. For twenty years I played the weddings, royal galas and festivals of Dubai and the Gulf, from the Dubai Opera to the Louvre Abu Dhabi. I've carried all of it with me to Europe.

My repertoire spans eight worlds, from classical and jazz to pop, deep house and Arabic, more than four hundred songs in all. My debut album, Back from the Souq (2015), was the No. 2 best-selling UAE release at Virgin Megastores.

I don't play from a fixed setlist. I shape each performance around your event, and around the room I find myself playing to.
